The accountants of the Dt. Treasury are, on the Treasury officers own showing, shewing signs of indifference almost culpable & have for such a most undesirable & reprehensible frame of mind which is subversive of all discipline. It was the duty of the Treasury Offr to have recalled them to a proper sense of their duty instead of making it a basis for making a suggestion to improve their status, which is really out of place in a report of this kind.

The statement referred to in the Treasury Officer's letter is not sent up. In the absence of the same, we have no means to check the figures of the D.C. comn.

The remaining 158 items of objection will be disposed of by the end of Feby as ordered by the D.C. & a report submitted in the 1st week of March. It will be distinctly understood that the existing staff will be pensioned off & pensioned if necessary is not

Sir.

Referring to your docket no:
Fl 2124/C-A of the 4th October 1904 requesting to report what was done in the matter of forwarding from the Mysore Dt Treasury certain vouchers brought to notice by the Comptroller, I have the honor to submit herewith for the information of Govt copy of letter no: 341 of the 15th Dec 1904 received from Mr C. Krishna Rao, Treasury Officer, Mysore District, from which it will be seen that 158, out of 604 items placed under objection by the Comptroller have since been disposed of up to 15th Dec 1904, and that necessary steps are, however, being taken for the speedy adjustment of the remaining items, the pending of which from a long time reflects, no doubt, much discredit on the part of the Mu

Treasury Head accountants and
other staff of the Dist Treasury. -

The Treasury Assistant Commissioner
has been requested to give his personal
attention to clear off all the other items
in arrear, and to submit a further
report by the end of February 1905-

I have the honor to be
Sir
Your most obedient Servt

Enclosure No. 1

Sir, Adverting to your memo No 539 dated 7th October 1904; forwarding General Secretary's docket No FL. 2124 / C. A. dated 4th idem regarding the delay in submission of replies to the Comptroller's objection statements, I have the honor to state as follows:—

2. The objections refer to items of 1891 & from the past 13 years.

3. The following Head Accountants are responsible for the omissions and

and so many objections.

1 Kodanda Raeeaseetty.
2. Puttanna
3. Vedanthia Iyengar
4 Subba Rao
5 Gangadharappa
6. Narayana Rao.

No 1 is retired, No 2 is transferred to mysore city municipality. No 4 was retransferred to the Forest Department and since retired.

No 3: has been transferred to the Sub Dn office and no 5 to the Forest Department. I learn that since the transfer of no 2 his successors did not care to do their duty satisfactorily. The chief cause is that none of my treasury accountants have any inducement to work. As already reported by me they simply get into the Treasury Establishment as a stepping stone to get away to other departments. If they were graded as is done in the Comptroller's Office and in the Public works Department, we may then induce efficient men to stick on and turn out good work.

4. Several objection statements have been replied to. The only one which relates to items of the past 12 years was not replied to because all the items were not fully adjusted.

5. An abstract statement of the disposal of the items is herewith submitted. The old references have to be traced out which alone takes away a lot of time. I have however warned the Head and other accountants to attend to the adjustment of other items. I shall also see that they do so.

I have etc.
